

Figure B.55: Time-series of beach cross-sectional area at profiles N4A2 and GY0801.

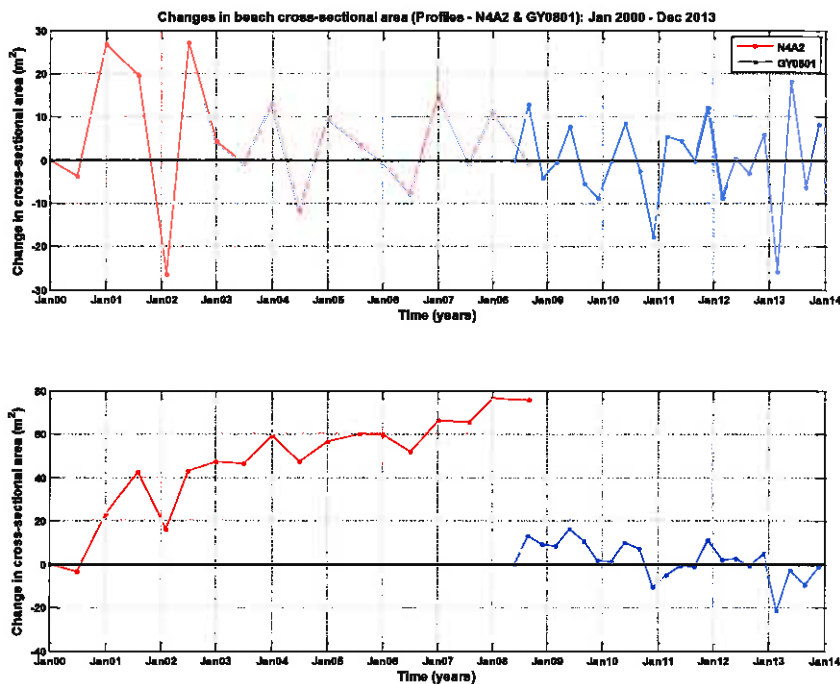

Figure B.56: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles N4A2 and GY0801. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles N4A2 and GY0801.

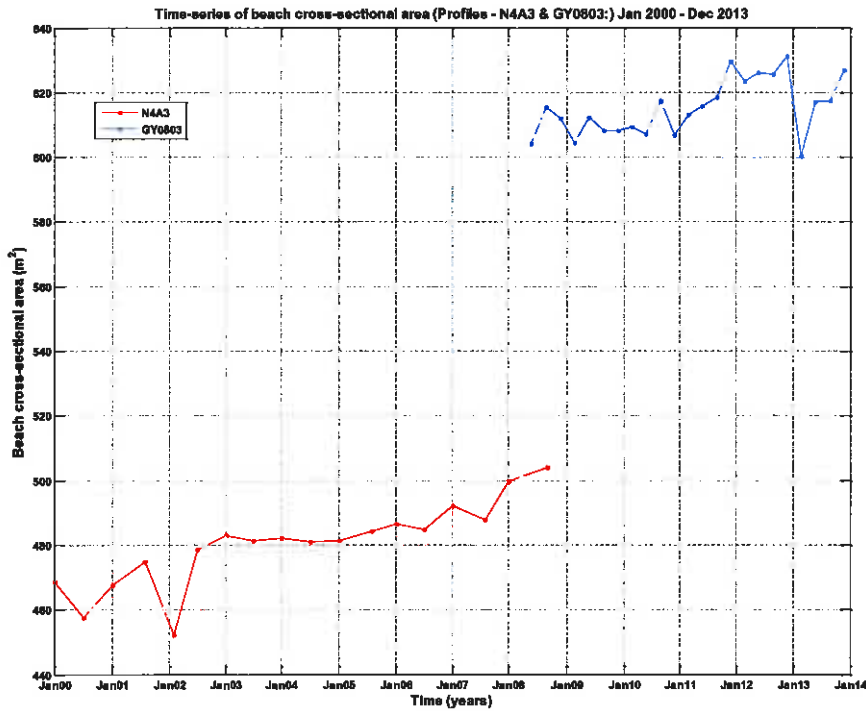

Figure B.57: Time-series of beach cross-sectional area at profiles N4A3 and GY0803.

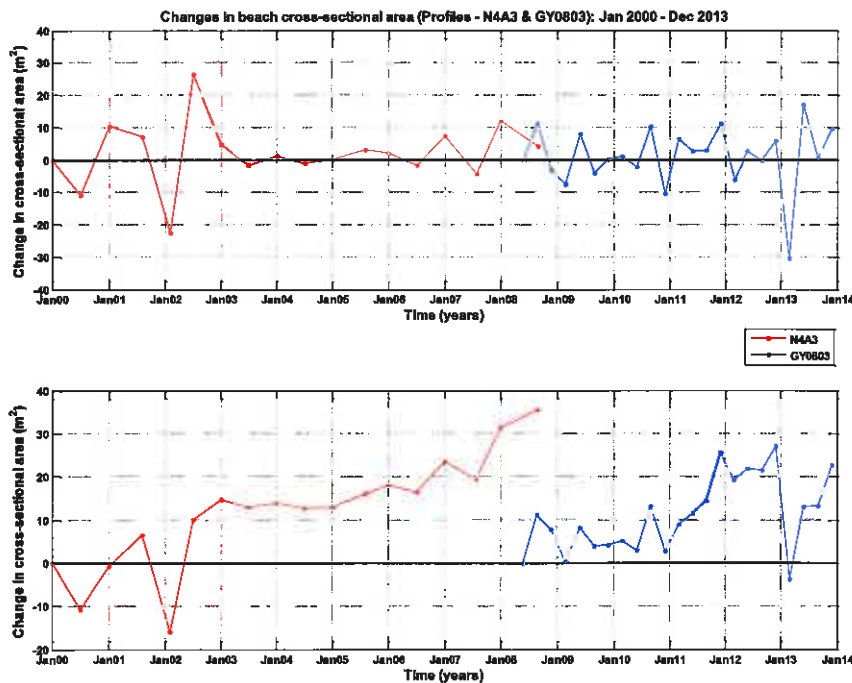

Figure B.58: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles N4A3 and GY0803. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles N4A3 and GY0803.

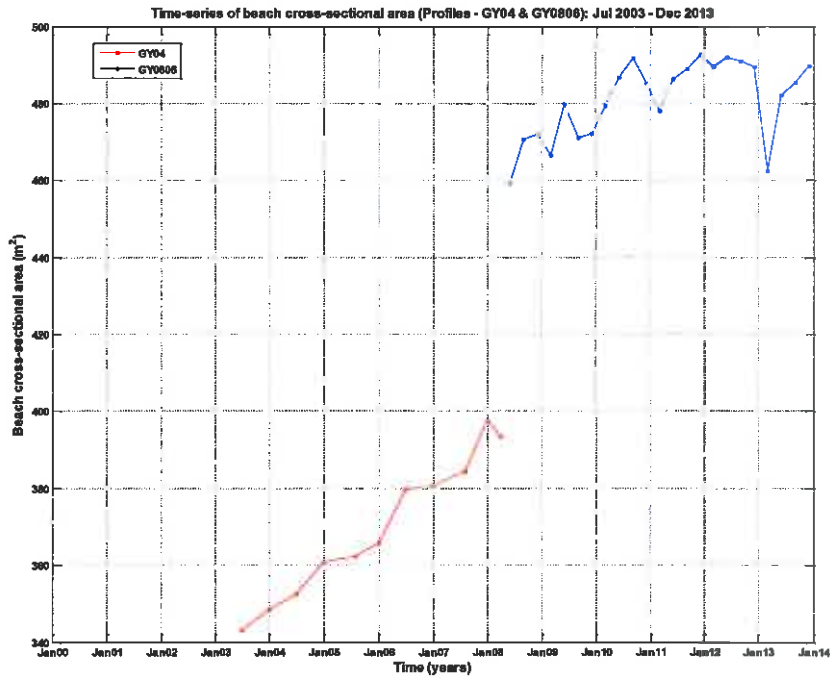

Figure B.59: Time-series of beach cross-sectional area at profiles GY04 and GY0806.

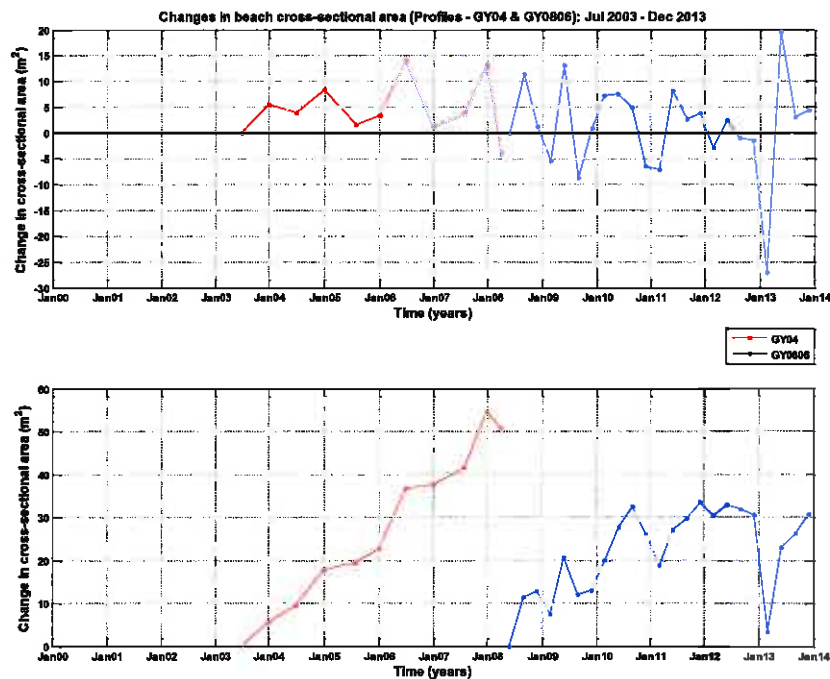

Figure B.60: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles GY04 and GY0806. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles GY04 and GY0806.

Figure B.62: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles GY07 and GY0809. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles GY07 and GY0809.

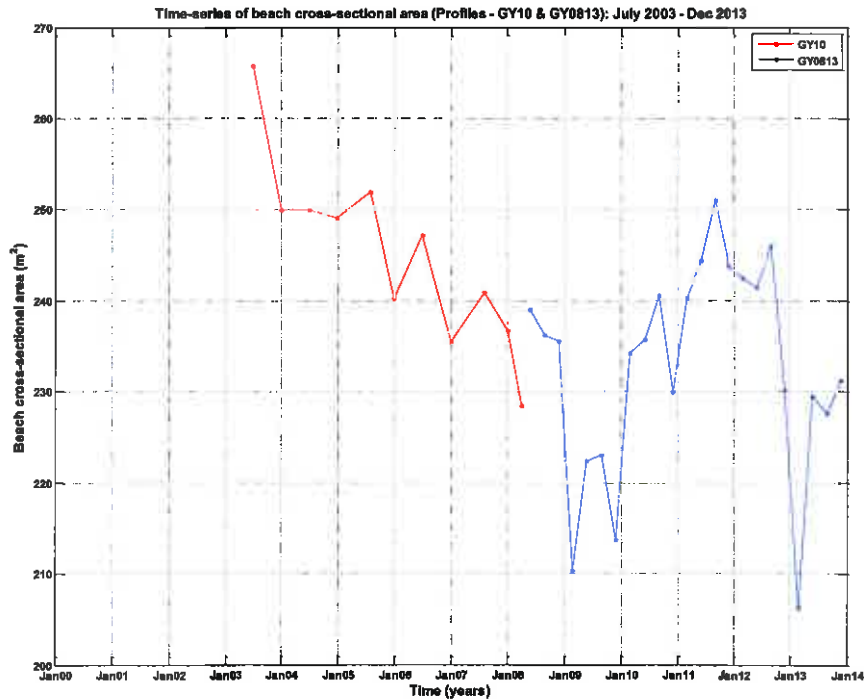

Figure B.63: Time-series of beach cross-sectional area at profiles GY10 and GY0813.

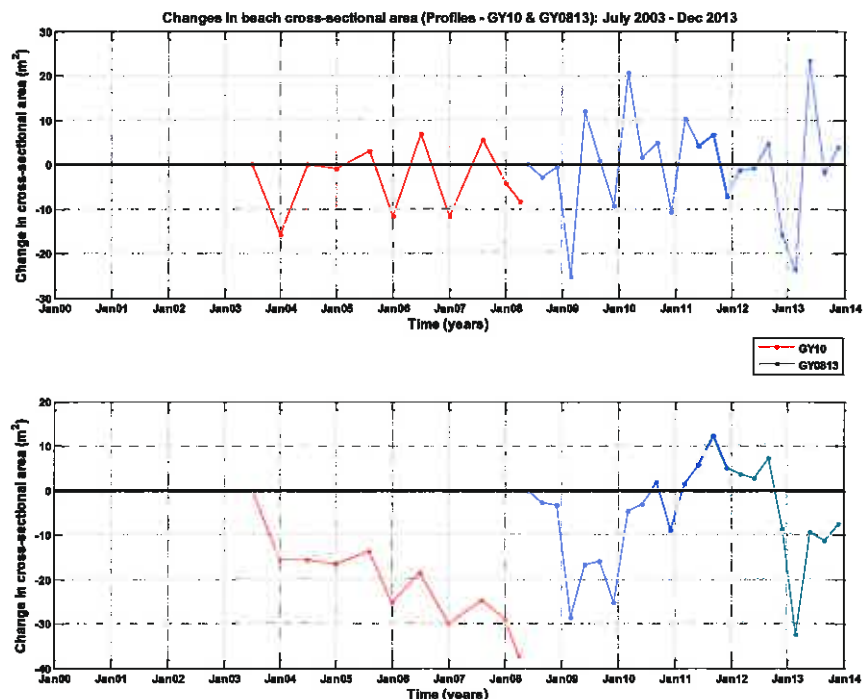

Figure B.64: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles GY10 and GY0813. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles GY10 and GY0813.

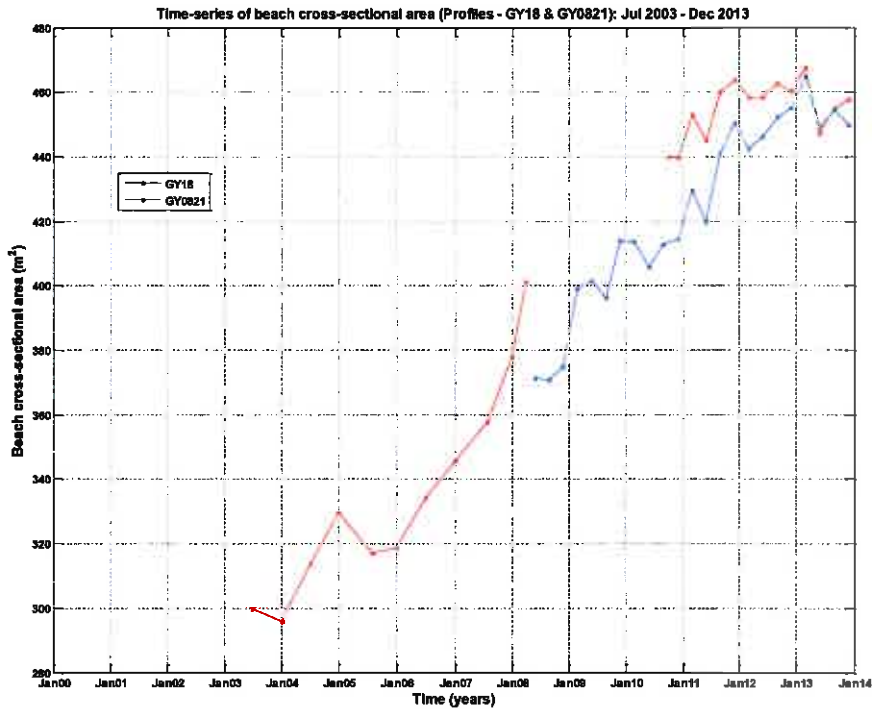

Figure B.65: Time-series of beach cross-sectional area at profiles GY18 and GY0821.

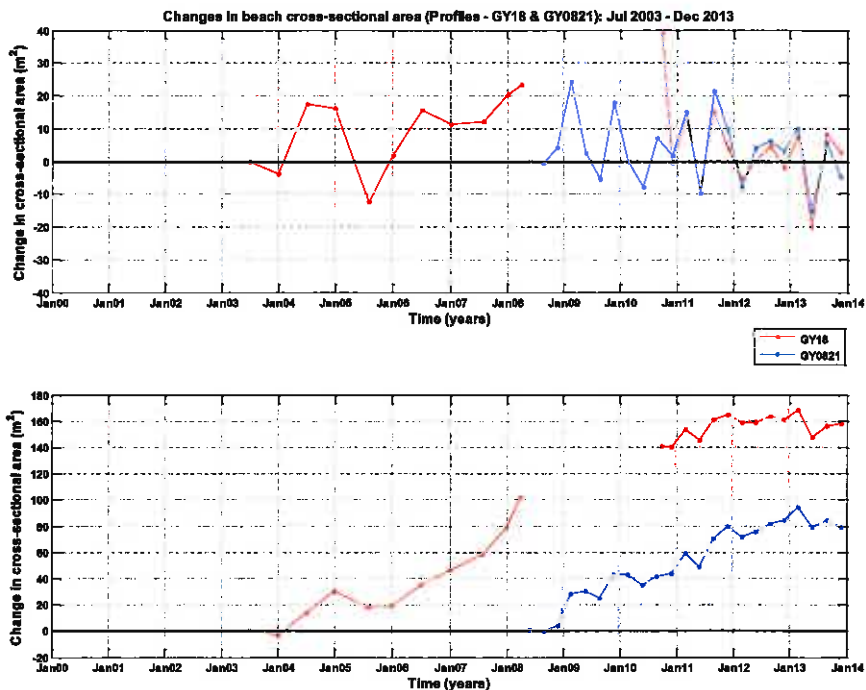

Figure B.66: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles GY18 and GY0821. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles GY18 and GY0821.

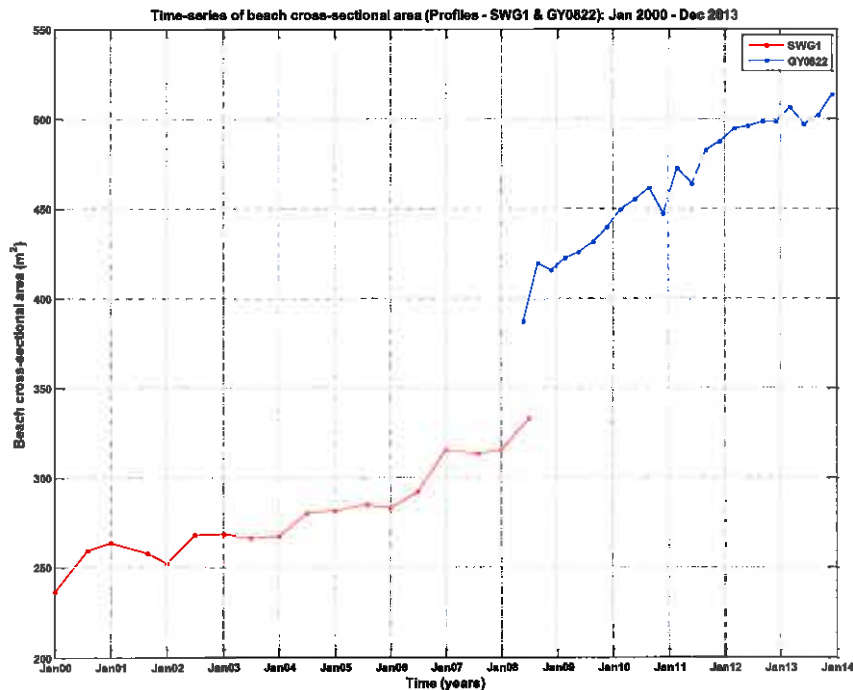

Figure B.67: Time-series of beach cross-sectional area at profiles SWG1 and GY0822.

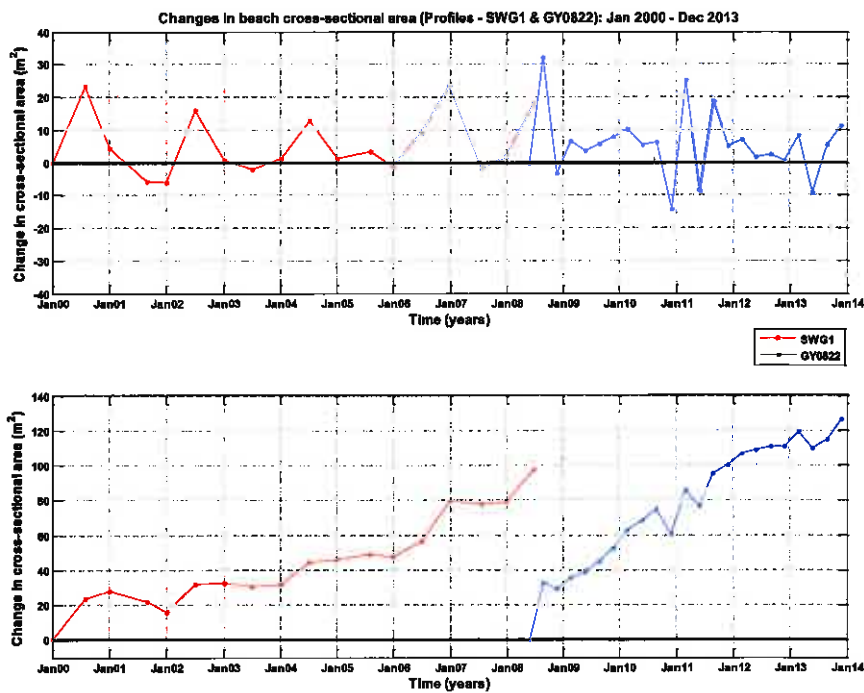

Figure B.68: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles SWG1 and GY0822. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles SWG1 and GY0822.

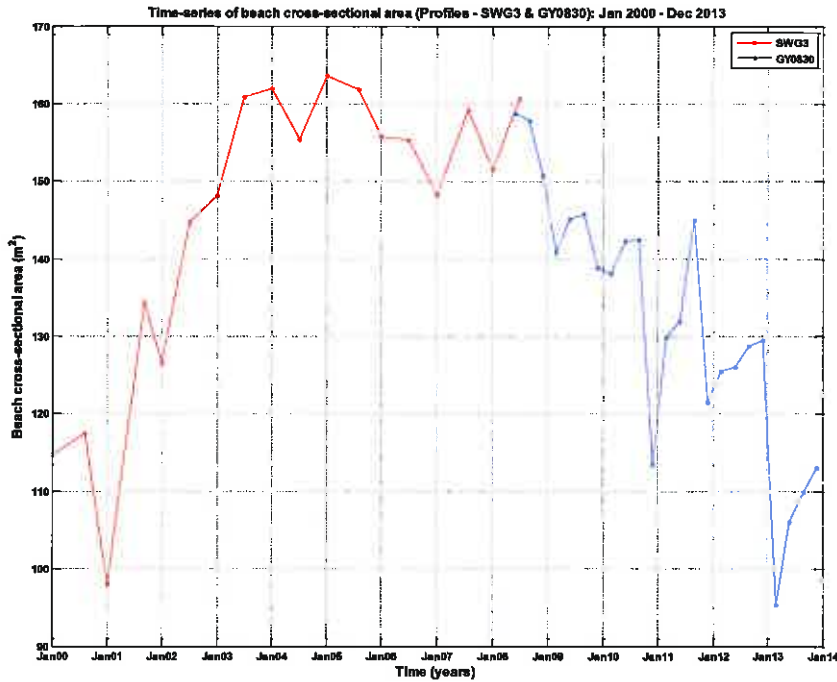

Figure B.69: Time-series of beach cross-sectional area at profiles SWG3 and GY0830.

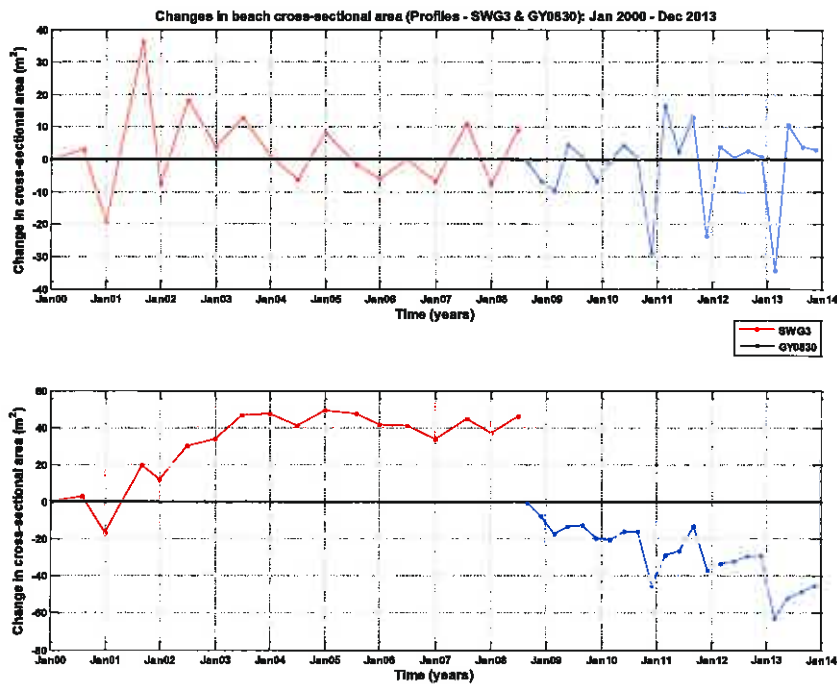

Figure B.70: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles SWG3 and GY0830. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles SWG3 and GY0830.

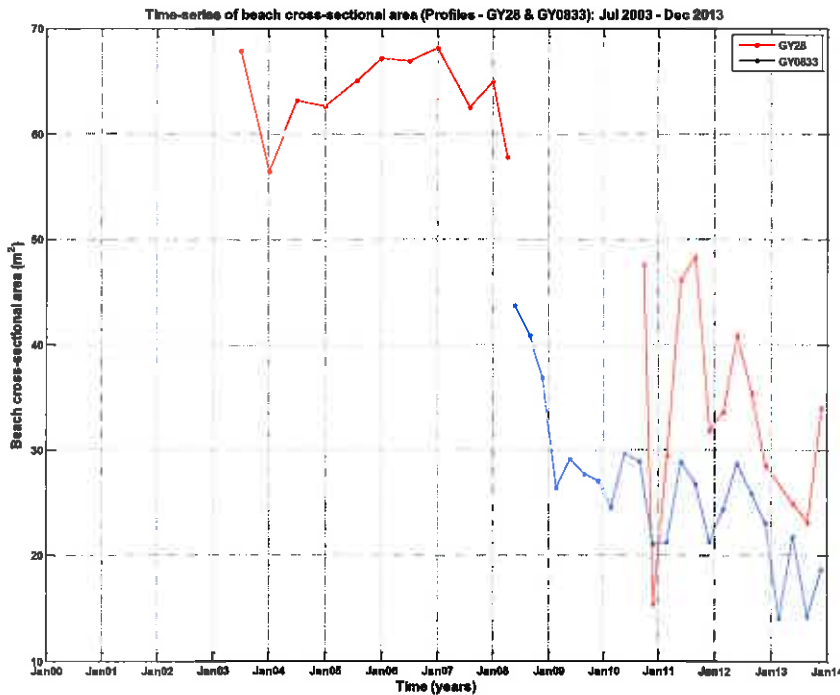

Figure B.71: Time-series of beach cross-sectional area at profiles GY28 and GY0833.

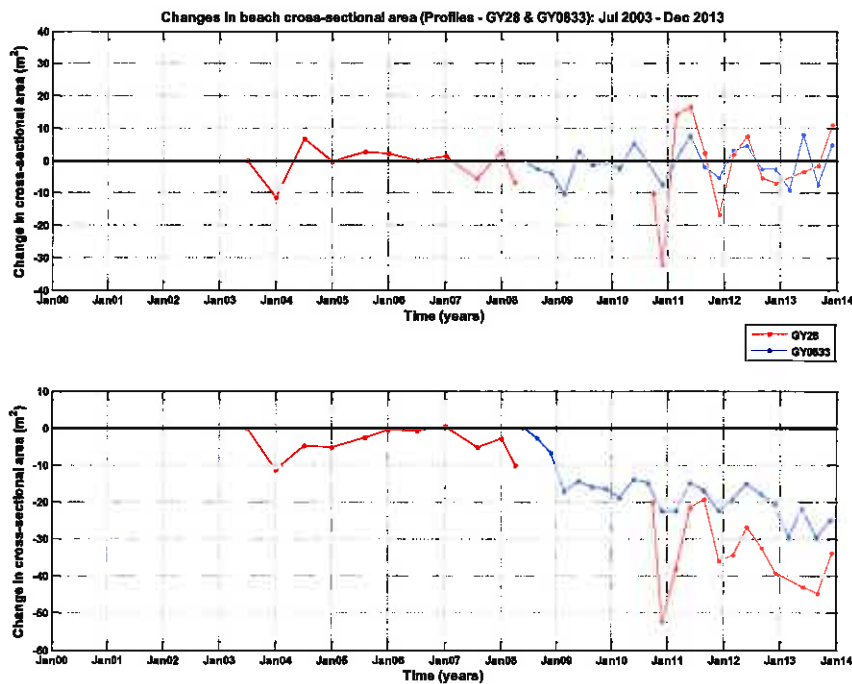

Figure B.72: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles GY28 and GY0833. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles GY28 and GY0833.

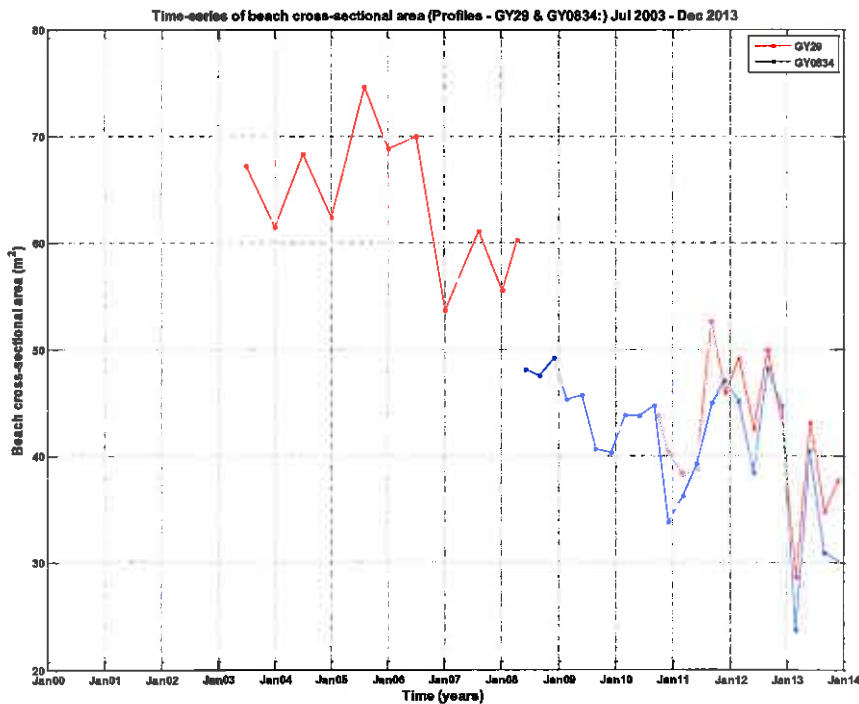

Figure B.73: Time-series of beach cross-sectional area at profiles GY29 and GY0834.

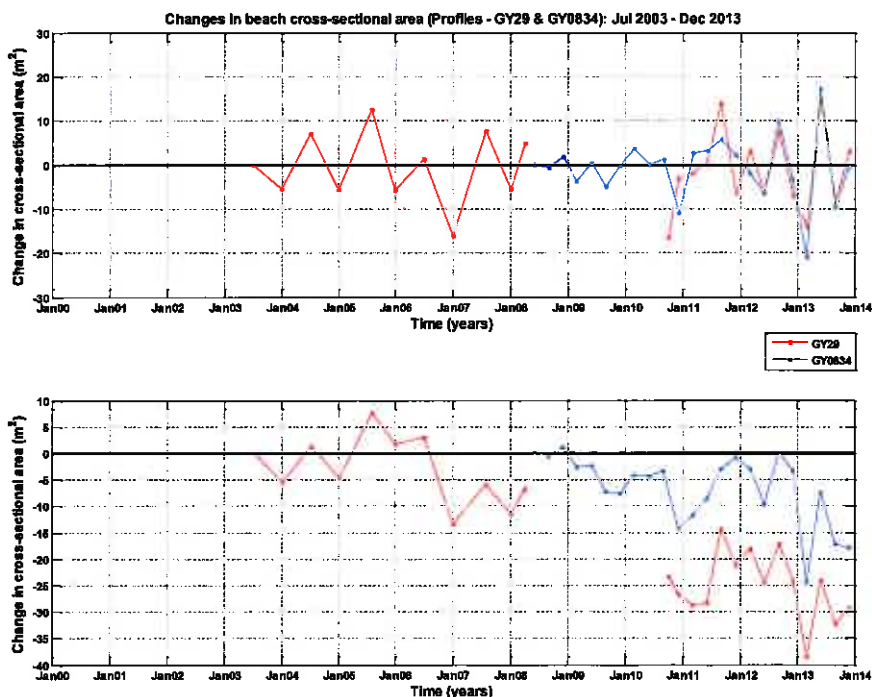

Figure B.74: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles GY29 and GY0834. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles GY29 and GY0834.

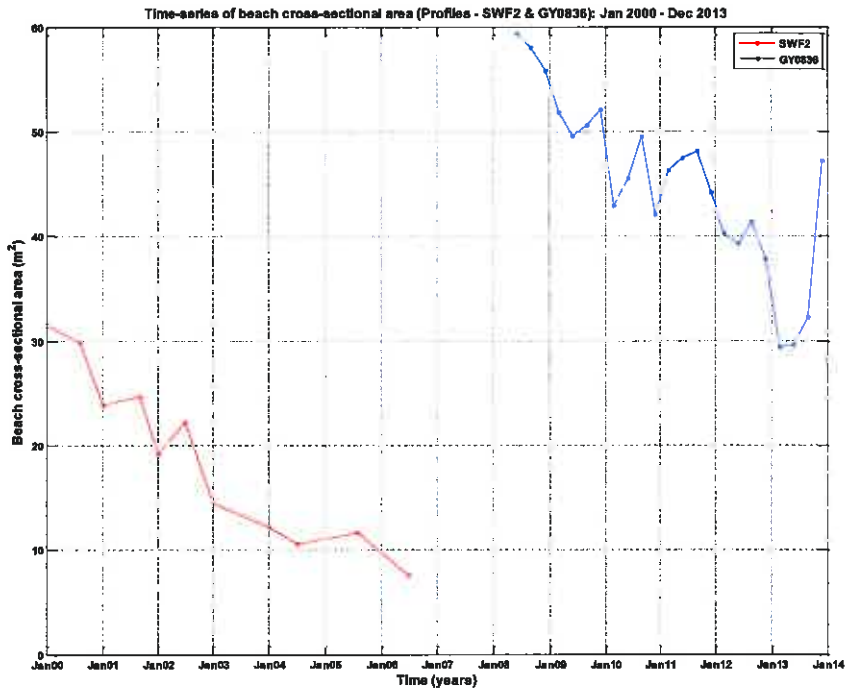

Figure B.75: Time-series of beach cross-sectional area at profiles SWF2 and GY0838.

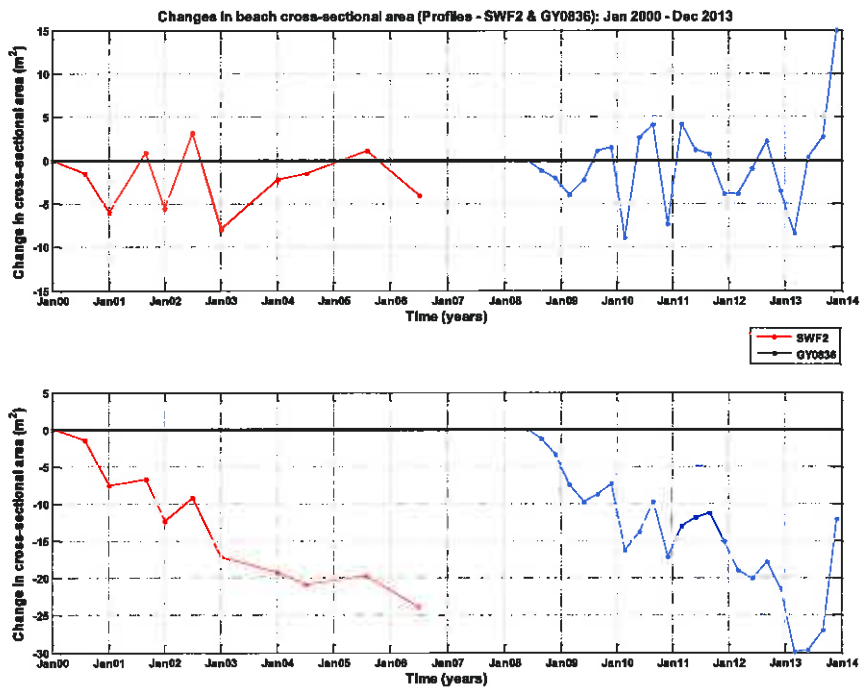

Figure B.76: (a) Time-series of 'successive' changes (i.e. change between consecutive surveys) in beach cross-sectional area at profiles SWF2 and GY0838. (b) Time-series of 'cumulative' changes (i.e. changes relative to first survey of the corresponding profile) in beach cross-sectional area at profiles SWF2 and GY0838.
